IRDEPO MAX

Innovative and reliable automatic machine for controlling the return of dirty and used products.

IRDEPO MAX is a modern and **self-service automatic machine** enabling **the registration of returned products** for disposal or reuse (washing of dirty clothes). The drop-off takes place in an **intuitive manner** by inserting the products into an automatically opening loading chamber, which then fall into a mobile basket. **A vision system and optical sensors** enable full recording of returned products. The vending machine is a **SLAVE** device that works with all **IRMATIC** solutions in the **MASTER** version.
